Our November theme is Problem Solving Technology. All welcome. Refreshments (and loos) available. Wildlife friendly garden always open.

Thursdays at 10am: Baildon Men's Shed. Come & see how much fun woodworking with other men can be! No experience needed. Good coffee. Good banter. Good company. Great fun. Call James for more info 07946 155347 or James.howgego@haleproject.org.uk.

Wed 6th: Preschool Afternoon aka **Brackentots**. Parents, grandparents and carers and their preschool kids are invited to our new, regular preschool session. There will be indoor crafting, stories to share, educational opportunities and time spent outside. We have two very keen mums that have taken on running this and we hope that it will be well supported and that with your help it will thrive – bring along your ideas and enthusiasm!

Drop-in session 1-3pm. NB Also on 20th and maybe the other Wednesdays of November – contact Richard (details below) to check on the other dates.

Fri 15th: Guided Walk to Bradford Industrial Museum. This is a linear 9-mile walk, taking you through many surprising green spaces on the way from BHCC to Eccleshill, with lots of stories, facts, and history along the way. Bring a packed lunch, drinks and wear suitable clothes/footwear. You will also need money for the return by public transport. **10.30am-4pm**
